# **Event: Swachhata Abhiyan at Karnapura Mela**

## **Introduction**

As a part of the NSS Day Foundation Week Celebration, the NSS Unit organized a Swachhata Abhiyan (Cleanliness Drive) on 1st October 2025 at Karnapura Mela. The initiative aimed to promote cleanliness, hygiene, and social responsibility among the volunteers and local citizens.

## **Objective**

The main objective of the cleanliness drive was to create awareness about the importance of maintaining a clean environment and to contribute towards the “Swachh Bharat Abhiyan” mission by cleaning public places during the ongoing fair at Karnapura.

## **Details of the Activity**

The event commenced at 7:30 a.m. with the active participation of NSS volunteers under the guidance of Mr. Vikas Mishra (NSS Programme Officer) and Dr. Shekhar Kothule (NSS Coordinator). Volunteers were divided into small groups and assigned specific areas around the Mela Ground and the Renuka Temple premises.

Equipped with brooms, dustpans, and waste bags, volunteers cleaned the surroundings, collected plastic waste, and spread awareness among the visitors about maintaining cleanliness. The entire area was thoroughly cleaned, and proper disposal of collected waste was ensured.

The programme concluded at 10:00 a.m. with a brief address by the NSS Programme Officer, appreciating the efforts of all volunteers and motivating them to continue such social initiatives in the future.

## **Outcome**

The Swachhata Abhiyan successfully enhanced awareness regarding cleanliness and hygiene among both volunteers and the general public. It also strengthened the sense of teamwork, discipline, and community service among the NSS members.
