Subject: <u>Google Career Certifications Scholarship Program</u>

Dear

We are pleased to inform you that RCED has been selected by Google and NASSCOM Foundation to implement the **"Google Career Certifications Scholarship Program"**. This program aims to skill and help provide employment to underprivileged youth.

This scholarship program offers the beneficiaries an opportunity to study any of the following courses on Coursera:

| S.No. | Name of the Course | Duration | |
|---|---|---|---|
| 1 | Google Analytics | 180 | https://www.coursera.org/professional-certificates/google- data-analytics |
| 2 | Google IT Support | 100 | https://www.coursera.org/professional-certificates/google-it- support |
| 3 | Google IT Automation | 160 | https://www.coursera.org/professional-certificates/google-it- automation |
| 4 | Google Project Management | 140 | https://www.coursera.org/professional-certificates/google- project-management |
| 5 | Google UX Design | 200 | https://www.coursera.org/professional-certificates/google- ux-design |

Each beneficiary is expected to complete the chosen course in self-study mode. It is expected that the beneficiary will complete the program in max. 12 weeks. Technical assistance will be provided on weekends for clearing the doubts and wrap-up of the modules. Special training on soft skills and Career Mapping will also be provided on weekends by RCED. After completing the training, the beneficiary will receive a certificate from Coursera. An additional certificate will be provided by NASSCOM

To
Prof Salahar.
TPO
DITMS.

Foundation on completion of Training. *Further, on the completion of the training, RCED will provide Placement & handholding support to all candidates.*
